Product Specifications

- MODEL DZ-WS-236
- DESCRIPTION In a number of settings, this transitional series works nicely. The open tops tease spectators with a view of the sockets and bulbs, while partial shades guard the eyes from hazardous hot areas. The design allows light and heat to pass through the metal blinds from above and below, giving task and ambient illumination.
- DIMENSIONS 11"H x 9.5"Dia
- BASE MATERIAL METAL
- BASE FINISH BRASS
- SHADE MATERIAL METAL
- SHADE FINISH BLACK
- CANOPY 5"Dia
- LIGHT SOURCE E26 MEDIUM BASE -A19 BULB
- LOCATION DAMP LOCATION
- CERTIFICATION UL LISTED
