

DZ-MD9016A-7B

Decorative Pendant Chandelier

PRODUCT OVERVIEW

The DZ-MD9016A-7B decorative pendant chandelier features an elegant cascading spiral design constructed with decorative metallic spheres in a contemporary suspended configuration. Designed for luxury residential and hospitality interiors, the fixture combines sculptural aesthetics with ambient illumination to create a sophisticated architectural centerpiece. The flowing suspended form makes it ideal for stairwells, double-height ceilings, and premium decorative applications.
